Launch your Lab on Vocareum

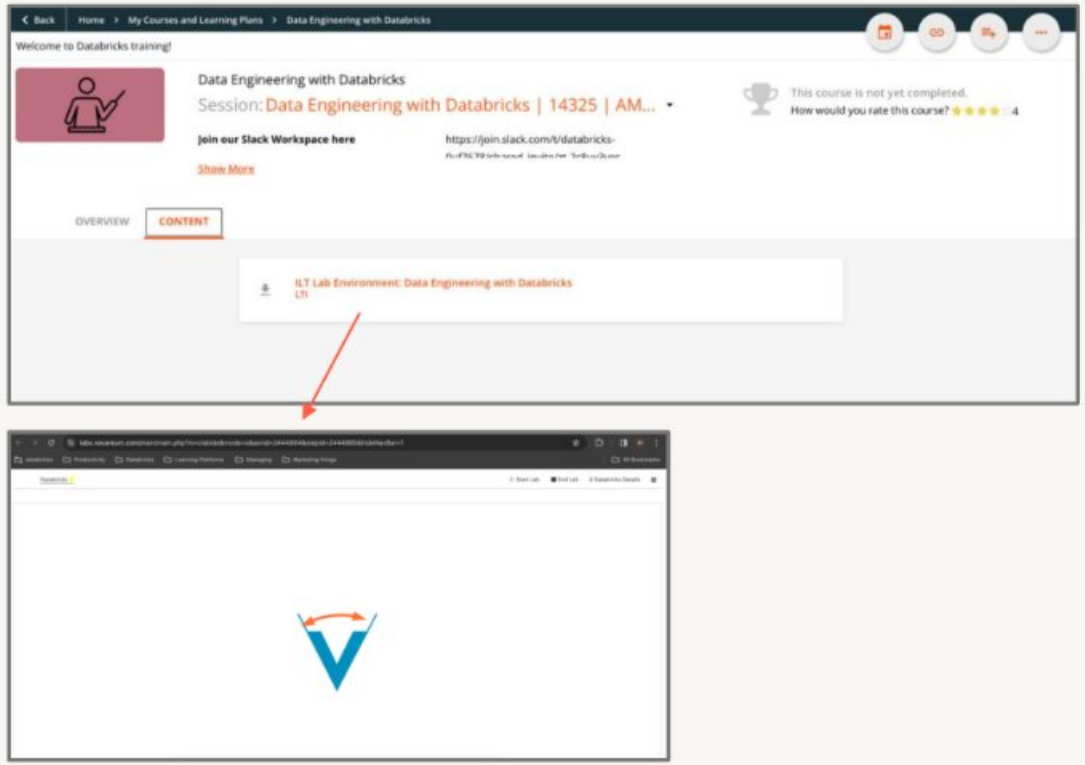

- Your lab environment is provided by Vocareum.
- It will open in a new tab.
- It has been configured with the permissions and resources required to accomplish the tasks outlined in the lab exercise.
- Third Party cookies must be enabled in your browser for Vocareum's user experience to work properly.

Launch Your Lab

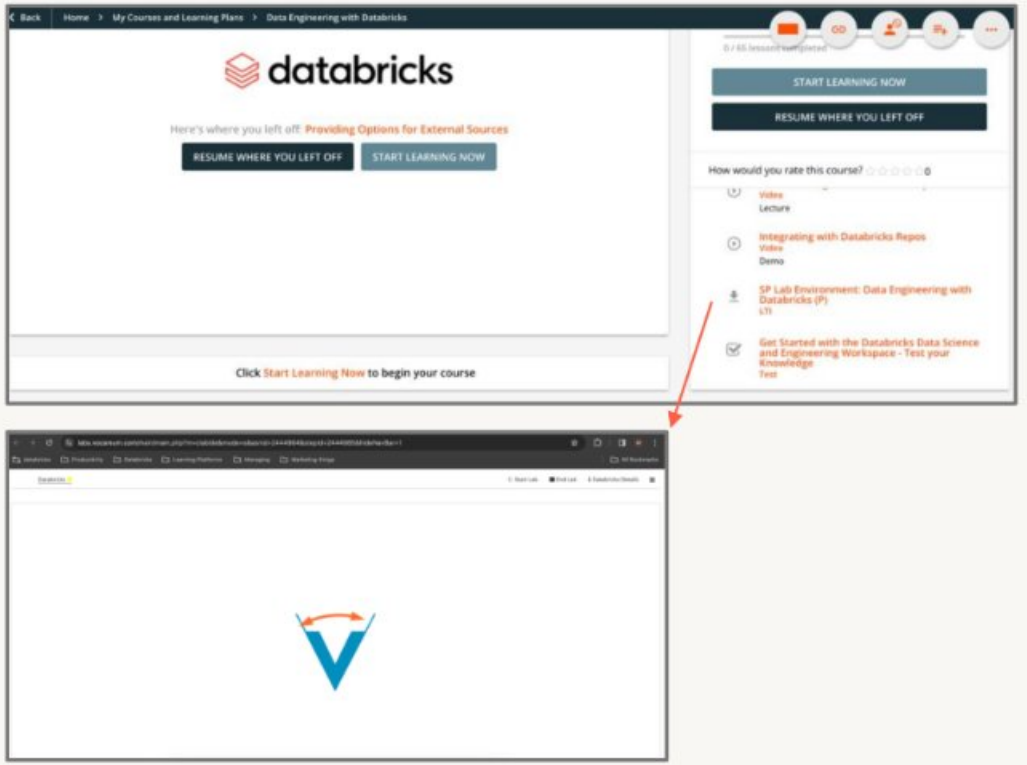

Instructor-Led Training

From your session, in Content, click the LTI link to the lab environment to launch your lab.

Self Paced Training

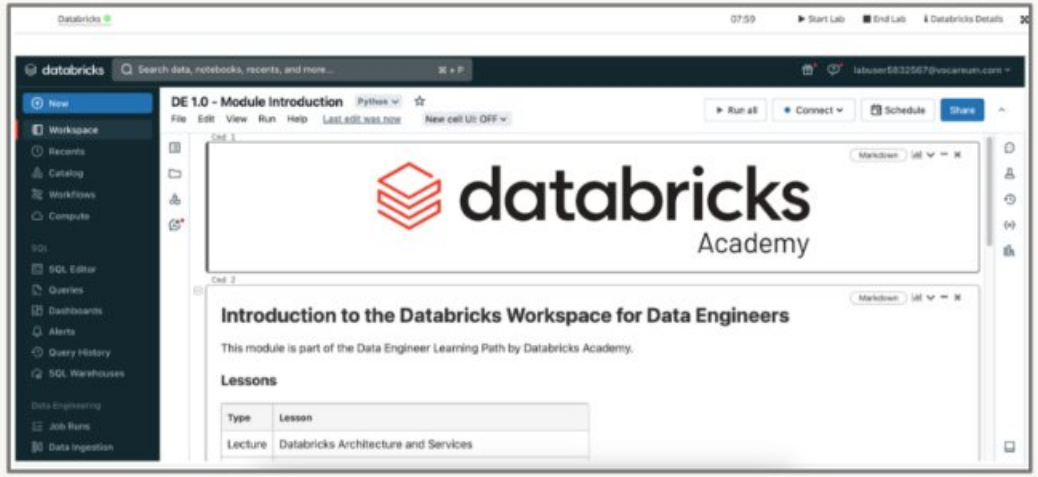

From your self paced course, in the content navigation in the right pane, click the LTI link to the lab environment to launch your lab.

Wait For Your Lab Resources

- Wait until the lab environment has been configured for you.
- This can take 5-20 minutes depending on network latency.
- Your Databricks workspace will be displayed in the Vocareum tab when ready.

Enable Pop Ups

©2024 Databricks Inc. — All rights reserved

Enable Pop-Ups from Databricks Academy

If you have pop ups disabled by your browser, you will see a blocked icon in the URL bar when the Vocareum tab has been blocked.

To enable Pop-Ups from Databricks Academy in your Chrome browser:

1. Click on the overflow menu (three dots) in Chrome
2. Click **Settings**
